Description

Durable, wheeled container packed with PIG Absorbents easily transports supplies directly to the spill site

PIG HazMat Socks stop spreading spills; PIG HazMat Pads and Pillows absorb quickly

PIG HazMat Absorbents are specially treated for unsurpassed performance with concentrated corrosives, such as 98% sulfuric acid and 30% sodium hydroxide

Weather-resistant polyethylene container protects the contents from moisture, dirt and damage; containers are best kept indoors for long-term storage)

Heavy duty rubber wheels roll easily over nearly any surface
