PIG® Essentials Drain Cover

DC9191

Specifications

Weight	10.400000
Color	Red & Black
Composition	Polyurethane
Contents/Package	1/box
Dimensions	91cm x 91cm x 1cm
Warnings & Restrictions	Urethane Notice: Due to the nature of softer urethane, the physical properties of these products may change over time with exposure to certain environmental conditions like temperature, humidity and UV radiation. Typical life expectancy is 5 years. Please inspect the stored product regularly to ensure it is in a usable state. For optimum performance, ensure that the area where the product will be deployed is free of debris, cracks and holes. For more details and for chemical compatibility, please call Technical Services.
Sold as	0

Description

Durable, tear-resistant top layer withstands repeated use and abrasion

Flexible, tacky bottom layer tightly seals drain openings; moulds to uneven surfaces to create an instant, temporary drain cover

Chemical-resistant polyurethane resists water, oil and many chemicals and unlike messy alternative clay mats, it’s easy to clean and reuse

Red, high-visibility top colour draws attention to spill for increased safety

Ensure cover overlaps drain opening, by at least 8cm on each edge, for maximum performance in helping to prevent pollution
