| Contents/Package | 1 Each |
| Dimensions | 3,2m W x 3,5m L x 5cm H |
| Sold as | 0 |

## Description

Roll right over the soft sidewalls of our FlexBerm for easy washdowns or temporary leak containment

Pliable, 5cm-high foam sidewalls contain liquids and spring back to shape after you roll over them; no ramps or drum lifters needed

Double layer, 18 oz. vinyl bottom resists punctures and tears. Ideal as a flexible solution for drum or battery storage, equipment washdowns or vehicle maintenance

One-piece construction deploys in seconds; no assembly required. 12mm grommets on each corner help keep the berm in place

Portable, lightweight and easy to store when not in use

Not recommended for use with vehicle traffic
