Warnings & Restrictions	**PIG Grippy Adhesive-Backed Floor Mat Notice:** New Pig adhesive-backed mats are formulated to work with most common industrial and commercial floor surfaces but are not intended for home/residential use and wood flooring. All adhesive mats have some potential to leave residue or lift or discolour finish coatings, paint, and loose or pre-damaged tiles depending on the condition and age of the floor surface. If you have questions about the suitability of New Pig adhesive-backed mats for your application, test a 15 x 15cm piece in a non-critical area before use. PIG® Grippy® Floor Mats should be replaced if they show signs of wear or damage and should always be changed out every 3 to 6 months, depending on conditions and traffic patterns. Customer assumes the risk that a New Pig adhesive-backed mat may damage or alter their existing flooring or floor covering. Other than warranties implied by law, New Pig provides no warranty of fitness for a particular purpose and no warranty that an adhesive-backed mat will be fit for customer's intended use. Other than in respect of liability which New Pig cannot lawfully exclude, New Pig shall have no responsibility for, and customer hereby releases and discharges New Pig from, any direct, indirect, incidental or consequential damages to their floors, flooring material, or any other surfaces in their premises. Customer is solely responsible for determining the fitness and appropriateness of the use of New Pig adhesive-backed mats in their premises. **Storage Temperature:** Store between 0° C - 49° C **Temperature Limit:** Surface temperatures from 13° C - 49° C
Purpose	Universal
Weight of Mat	Medium-weight
Sold as	0

Description

Keep your restrooms cleaner and provide better drip and splash protection with our adhesive-backed urinal mat runner

Permanently infused antimicrobial technology prevents the growth of odour-causing bacteria and mould on the mats to keep restrooms cleaner and fresher smelling

Proprietary, full-coverage adhesive backing keeps mats in place underfoot with no shifting, curling or flipping up to stop slip and trip hazards; peels up easily

Durable Surface stands up to daily cleaning and foot traffic

Impermeable backing layers stop liquid pass-through to prevent stains and grout damage
