Warnings & Restrictions	**PIG Grippy Adhesive-Backed Floor Mat Notice:** New Pig adhesive-backed mats are formulated to work with most common industrial and commercial floor surfaces but are not intended for home/residential use and wood flooring. All adhesive mats have some potential to leave residue or lift or discolour finish coatings, paint, and loose or pre-damaged tiles depending on the condition and age of the floor surface. If you have questions about the suitability of New Pig adhesive-backed mats for your application, test a 15 x 15cm piece in a non-critical area before use. PIG Grippy Adhesive-Backed Floor Mat should be replaced if they show signs of wear or damage and should always be changed out every 3 to 6 months, depending on conditions and traffic patterns.. Customer assumes the risk that a New Pig adhesive-backed mat may damage or alter their existing flooring or floor covering. Other than warranties implied by law, New Pig provides no warranty of fitness for a particular purpose and no warranty that an adhesive-backed mat will be fit for customer's intended use. Other than in respect of liability which New Pig cannot lawfully exclude, New Pig shall have no responsibility for, and customer hereby releases and discharges New Pig from, any direct, indirect, incidental or consequential damages to their floors, flooring material, or any other surfaces in their premises. Customer is solely responsible for determining the fitness and appropriateness of the use of New Pig adhesive-backed mats in their premises. **Storage Temperature:** Store between 0° C - 49° C **Temperature Limit:** Surface temperatures from 13° C - 49° C
Purpose	Universal
Weight of Mat	Medium-weight
Sold as	0

Description

Combines all the floor safety features and convenience of our original Grippy Floor Mat, with the added benefit of high-definition custom printing

Just like the original Grippy Floor Mats, our custom-printed version offers the same highly-absorbent, extremely durable and ready to maintain walking surface

State-of-the-art, UV-resistant, digital printing gives the flexibility to change your companies look and/or messaging every three to six months. And, the smooth, flat surface produces sharper, more detailed images that won't distort over time, like carpet mats do as the pile crushes.

It's light-weight, low-profile, no-budge design is the perfect solution for trapping dirt, grease, salt, mud and moisture to prevent it being tracked through your premises and reducing trip hazards to improve floor safety
